## Stewardship Update

**Last Weekend:**

**Sunday** \$6,481

178 Envelopes

**Thank you for your continued generosity!**

**Stewardship** “The stone the builders rejected has become the corner stone...” MATTHEW 21:42 Jesus was the corner stone and He was rejected by the religious and political leaders of his day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be “rejected” by others in today’s society. For example, saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is sign that God is alive and well!

**Faithful Stewards...Sharing our Gifts** THANK YOU to everyone who returned a commitment card and renewed their commitment of support to the Corpus Christi parish family. If you have not yet responded please do so by dropping your commitment card in the collection basket. You may also bring it in or mail it to the Parish Office.

This weekend you are reminded to pick up a **First Step for Change** bottle if you wish to participate in this project. The funds collected will be used to help low-income mothers-to-be give their children a healthy start in life. If an expectant mother does not have access to food, shelter, clothing and essential items- like cribs or car seats- her baby is at risk from the very beginning. Take home a bottle today, fill it with change and make a difference in the lives of low-income pregnant women and families with small children.

**Catholic Teaching and the ‘Scandal of Capital Punishment’: A Real Life Example** In regards to the death penalty, the *Catechism of the Catholic Church* states that “if...non-lethal means are sufficient to defend and protect people's safety from the aggressor, authority will limit itself to such means, as these are more in keeping with the concrete conditions of the common good and more in conformity with the dignity of the human person” (no. 2267). Likewise, our U.S. Catholic Bishops have identified “compelling reasons for opposing capital punishment—its sheer inhumanity and its absolute finality, as well as concern about its inequitable use and an imperfect legal system that has sentenced innocent people to death” (*Pastoral Plan for Pro-Life Activities*). On Sun, Oct 29, Noon-1:30pm all are invited to St. Joan of Arc Parish (4940 Tuscarawas W., Canton) for a presentation on how Catholic teaching applies to the death penalty, looking at the example of a man who spent 30 years on death row. FMI call 330/744-8451.
